Agia Paraskevi, Attiki, Greece

Dear Mr Derlopas

I would like to share the benefits I gained from the "INDIVIDUAL COACHING FOR GENERAL DIRECTORS IN THE PUBLIC SECTOR" program, which lasted 35 hours from 12/11/2024 to 17/12/2024, and how I experienced the effectiveness of your coaching skills.

My participation in the mentoring/coaching program was unforgettable and insightful due to the personalized guidance. Through the regular discussions and contemplation with you, I gained greater clarity about my professional goals and identified both my strengths and weaknesses. All these achievements built a stronger sense of direction and confidence in pursuing my aspirations.

As my mentor, you helped me gain this transformative experience. You demonstrated your outstanding coaching skills by combining active listening and thoughtful questioning in every session. Your approach led to the development of trust and openness encouraging me to introspect and explore alternative perspectives when considering how to approach my goals and overcome obstacles.

In conclusion, the reflection and mentoring experience has had a lasting, influential, and positive impact on my development. I am sincerely thankful for the opportunity to be a part of this program and for your genuine interest and dedication to supporting the process.

Sincerely

Photios Skiadas
